The Department of Environmental Services, Waste Management Division ("DES") issued Administrative Order No. WMD 04-02, dated February 13, 2004 ("the Order") to Allstate Steel Corporation ("Respondent") based on violations of RSA 149-M and RSA 147-A observed at 378 South Road, Candia, NH ("Property"). This property was transferred to Atlantic Bridge & Engineering, Inc. after the Order was issued. Based on DES's determination that final compliance with the Order has been achieved through the actions of Atlantic Bridge & Engineering, Inc., DES issues this Notice of Compliance and Release of Recordation ("Notice/Release") for the Order.
